PREVIOUSLY-FILED DECLARATIONS OF
INDIVIDUAL BONDHOLDER (PETER C. HEIN)**

This document amends #18648 which was filed October 22, 2021 pursuant to Docket#18394. I plan to rely upon the documents and exhibits in the record, and the declarations I have previously submitted, including those I filed on October 19, 2021 in #18575 and those I filed in opposition to FOMB's in limine motion (#18181) and in connection with the disclosure statement hearing (#16908, #16977 and #17536). Attached hereto is a list of certain of the documents and exhibits referred to in #18575 and in my other prior filings. Legislative history and other similar legal authority-type materials are not included. I reserve all rights, including the right to offer other documents and exhibits in response to materials offered, or arguments made, by other parties, and all rights to supplement my objections. In addition, I reserve all rights with respect to the offer of exhibits, witnesses or declarations, or the making of objections, with respect to (i) any revisions to the proposed Plan or any Plan Supplement that may be filed, including but not limited to the Plan Supplement referred to in #18447-page-10-of-77 paragraph "(a)" with the

notation “(Docket Entry No. _____),” and (ii) any legislation that may be enacted in connection with the proposed Plan, once any such Plan Supplement and/or legislation is filed and I can review the Plan Supplement and the English version of any such legislation. I also reserve the right to cross examine Debtors’ witnesses who are listed in Debtors’ proposed order and judgment confirming Seventh Amended Plan (#18447-page-10-to-11-of-77, paragraphs “(g)” through (t)”) accompanied by references to “(Docket Entry No. _____),” and I will supplement this filing to be more specific once the declarations not yet on file are filed and I can review the proposed direct testimony to be given by declaration and determine which witnesses I will need to cross, and on what subject areas.
